LOCAL RULES

- **Penalty Areas (Red) – Lakes, Streams, Waste Areas, and Planter Beds (Rule 17):**

- Lakes/Streams - the edge of the Penalty Area around Lakes and Streams is defined by the water's edge at normal water level. No Play Zone - play is PROHIBITED from the lake beds.
- Waste Areas (North Course) - the edge of the Penalty Area is defined by the turf cut edge where the grass and DG meet. All Waste Areas (DG-decomposed granite) are played as a Penalty Area, whether there are plantings in these areas or not, including the area between North #18 and South #10, regardless of which course you are playing.
- Planter Beds (South Course) - All Planter Beds are deemed Penalty Areas. No Play Zone - play is prohibited from planter beds.
- **Rock Walls:** South Course – Holes 7, 9, 13 and 18 and North Course – Holes 7 and 15 are deemed immovable obstructions (Rule 16.1). All other rock walls are Integral Parts of the Course.
- **Immovable Obstructions Close to Putting Greens:** A player whose ball is lying off the putting green of the hole being played, but is not in a hazard, and whose line is impeded by an immovable obstruction, such as a sprinkler

head, (Rule 16.1), which is itself within two club lengths of the green and no more than two club lengths from the ball, is entitled to free relief at nearest point no closer to hole. The ball must be dropped.

- **Out of Bounds (Rule 18.2):** When stakes are present, it is defined by the inside edges of the white stakes at ground level using a straight line between each stake. When stakes are not present, Out of Bounds is determined by the inside edges of the hardscape such as patio, pool, fence, landscape liner etc. When a ball comes to rest between two types of hardscape, Out of Bounds is determined by a straight line, at ground level, between the inside edge of each hardscape. Also, any ball that crosses a road and comes to rest on a part of a golf course that would otherwise be In Bounds, is deemed to be Out of Bounds.
- **Designated Optional Drop Area(s):** Located on Hole #7 South and Hole #7 North, and may be used for regular and tournament play.
